KU Global Open Major

New Division Specially designed for International Students

- Ground your studies through foundational courses designed specifically for first-year international students
- Choose your major from a wide variety of disciplines, ranging from liberal arts and social sciences to natural sciences and engineering, upon the completion of the first-year foundational courses

You Will Be

- Experienced with working in multicultural work environments
- Equipped with a profound understanding of the rapidly changing global environment and have the capacity to address global issues using inclusive and creative approaches
- Prepared to proactively engage with problems affecting the international community based on your academic expertise

What is Special about the 'Global Open Major'

Tailored foundational education for international students in their first year, followed by freedom to select a major that aligns with their interests

You can select from over 60 diverse majors across a wide spectrum of disciplines

Students can select either the Korean Language Track or the English Language Track

Korean language courses available for various levels for the first year before choosing your major

Intensive Korean writing training offered to students who choose the Korean Language Track

Major Exploration Program available as part of the First-Year Foundational Courses to help students identify the right major

Tailored administrative services for international students in the first year before selecting a major, as part of the Global Open Major Division

Networking with students from the College of International Studies (First-year Global Open Major students belong to the Global Open Major Division, where the proportion of international students is high.)

Why Korea? Why Korea Univ.?

Why Korea?

Why Korea University?

Ranked **74th**
in the QS World
University Rankings

One of the strongest
alumni networks
in the nation

Abundant scholarship opportunities
for international students

Wealth of extra-curricular events for students such as the Annual Ko-Yon Games and Ipselenti (annual university-wide festival), plus KU Global Leadership Program (utbound), and exchange student program with 1000+ universities across the globe

Specialized Academic Curriculum

- Korean I, II, III and IV are offered as elective courses for students whose proficiency in the Korean language is equivalent to TOPIK Levels 3, 4, 5 and 6
- Korean writing courses for various levels, intensive Korean reading courses covering various topics and major-specific Korean language courses (humanities/social sciences or natural sciences/engineering) are all offered
- Exploration courses are offered so students can get a taste of majors of interest before making a final decision
- Freshman Seminars are offered to facilitate interaction between faculty members and students, ensuring that students hit the ground running.
